## L.A.U.N.C.H.\* Summer Youth Employment Program – San Bernardino County

### About the Program

The Kaiser Permanente L.A.U.N.C.H.\* Summer Youth Employment Program is a 6-week paid internship for prospective pre-health students (grades 10 – 12, ≥16 y/o). It is an opportunity for students to learn about healthcare careers through an academic-based skill demonstration project as well as through education day training designed to prepare students for a career in healthcare.

### During the program, students:

- Gain exposure to a variety of clinical and allied-health professions, as well as healthcare operations via education days
- Present a Community Awareness Project—an opportunity for students to research and design a strategy to address community-related healthcare disparities
- Receive skills training and mentorship in: educational and career success, college readiness, interview preparedness, and communication and leadership skills
- Develop and practice a variety of social, technical and employability skills, e.g. timeliness and professionalism
