

Kaiser Permanente Baldwin Park Medical Center

2024 Summer Youth Employment Program (SYEP)

About the Program

The Kaiser Permanente Summer Youth Employment Program is an **8-week** paid internship for prospective pre-health students (grades 10 – 12, ≥ 16 y/o). It is an opportunity for students to learn about healthcare careers through an academic-based skill demonstration project as well as through education day training designed to prepare students for a career in healthcare.

During the program:

- Gain exposure to a variety of non-clinical and allied-health professions, as well as healthcare operations via education days
- Present a Community Awareness Project—an opportunity for students to research and design a strategy to address community-related healthcare disparities
- Receive skills training and mentorship in educational and career success, college readiness, interview preparedness, and communication and leadership skills
- Develop and practice a variety of social, technical and employability skills, e.g. timeliness and professionalism

Criteria and Requirements

- Must be a current high-school student (≥ 16 y/o), 11th and 12th graders are given priority.
- **Cannot** be a dependent of a Kaiser Permanente employee.
- Attendance is mandatory for the duration of **the 8-week** program; Monday – Friday, from 8am to 12pm.
- **Program dates are 6/17/24—8/9/2024**
