### About the Program

An **8-week** paid opportunity intended for undergraduate students (18-25 years old) enrolled in college or university; specifically catering to underrepresented, underserved, and low-income.

This Community Benefit funded program engages interns in meaningful work academic major and exposes them to careers in the health care industry. Over the course of 2-3 summers, interns work on impactful projects contributing to their success and to the success of Kaiser Permanente through professional networking, developing social and technical skills, and collaborating across functions.

The program is dedicated to cultivating essential skills such as: Creative Thinking, Analytical skills, and Leadership skills for future professional endeavors.

### During the program:

- Gain exposure to a variety of non-clinical professions
- Work on projects that impact over success of Kaiser Permanente
- Networking with variety of professionals
- Develop and practice a variety of social, technical and employability skills, e.g. timeliness and professionalism
- Express ideas and ask questions
- Gain collaborative experience by working on a team of professionals
- Interns may be assigned research tasks to deepen their understanding of specific topics relevant to the industry or organization

### Criteria and Requirements

- Must be a current undergrad
- Attendance is mandatory for the duration of the program; Monday – Friday, from 8:30 am to 5:00 pm (Times may vary)
- **Program dates Vary due to school schedule. June – August 2024**
