

Kaiser Permanente Riverside/Moreno Valley

2024 Summer Youth Employment Program (SYEP) Riverside Service Area

About the Program

The Kaiser Permanente Summer Youth Employment Program is a **8-week paid** internship for prospective pre-health students (Summer Youth is intended for graduating high school seniors). It is an opportunity for students to learn about healthcare careers through an academic-based skill demonstration project as well as through education day training designed to prepare students for a career in healthcare.

During the program:

- Gain exposure to a variety of non-clinical and allied-health professions, as well as healthcare operations via education days
- Present a Community Awareness Project—an opportunity for students to research and design a strategy to address community-related healthcare disparities
- Receive skills training and mentorship in educational and career success, college readiness, interview preparedness, and communication and leadership skills
- Develop and practice a variety of social, technical and employability skills, e.g. timeliness and professionalism

Criteria and Requirements

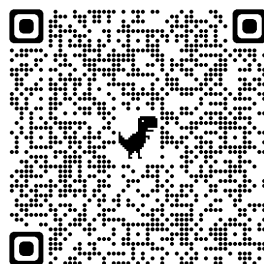

- Must be a current graduating high-school student; 11th and 12th graders are given priority.
- **Cannot** be a dependent of a Kaiser Permanente employee.
- Attendance is mandatory for the duration of **the 8-week** program; Monday – Friday, from 8am to 12pm.
- Interns will attend Educational Days.
- **2024 SYEP Program dates are Monday, June 10, 2024 – Friday, August 2, 2024.**

How To Apply

To apply, please visit:
